Administrative Unit #13 Staff, Members of the Tamworth School
Board, parents and citizens of the Tamworth Community:

Dear Friends:

The Kenneth A Brett School has been a wonderful place to work. As I look forward to retirement at the end of this school year, the past seven years have been - by far - the best of my 40-year career as an elementary classroom teacher and school principal. "It is what it is" and "It's been a good fit", as a good friend and former colleague was known to say. It has been an absolute privilege to have worked with such an excellent staff whose number one priority is the youth of the Tamworth community. That's not just a polite parting platitude - it's the absolute truth. I have made many friends within the Brett School community and will carry those friendships with me for the rest of my life. You will all be missed and remembered. Thank you for the privilege of your association.

Sincerely,

Noel J DeSousa
