Recycling Program

Each classroom will be responsible for bundling or bagging the waste paper it generates. If you have extra paper grocery bags, please send them into the school to be used for this program.

Soccer Game Supervision

Students should not be staying after school to watch the Jr. High soccer games unless they have adult supervision with them.

PTA News - The Auction is returning. Save the date of October 17th for our second annual auction. See the back of this flyer to see how you can help support the children in our town.

Thank You - The K. A. Brett School Community would like to thank the Wal-Mart Corporation for their generous \$1,000. grant donation to help fund the After School Program at the Brett School. Thanks to the support from the local budget, the PTA, and Wal-Mart, the After School Program will be available to all students beginning in the next several weeks.

Health News - The state has requested that schools report numbers of students who are absent with "influenza-like illness" in order to better determine how the H1N1 virus is going to affect us. In order for this data to be useful in monitoring these statistics, it will be very helpful for us if you can report symptoms your child is experiencing if illness is present, or simply reporting that your child will be out for another reason. There are currently no changes to the previous recommendations. Thank you for your cooperation.

7th Grade Field Trip - A big Thank You! to the Green Mountain Conservation Group, including Tara, Katie and Louise, for inviting the 7th grade to help with testing the Bearcamp River for water quality. Is it healthy or is it not? We just received the final count of macro invertebrates and will be calculating the results soon. Everyone had fun walking in the river (and getting wet!) then carefully looking through the buckets for every sign of life, no matter how small.

8th Grade Reach the Beach - This Friday, September 18th the 8th graders are sponsoring a transition area for the Reach The Beach relay race. We are looking for donations of food items (main dishes, salads, breads, fruit & veggies, desserts, etc.) that the runners would enjoy on their stop at our school. Hundreds of runners and helpers will be coming through our school. If you can help out with food, please call the school office and thank you!
