**Summertime is Fresh Air time** for thousands of New York City children growing up in disadvantaged communities. Through The Fund's Friendly Town program, close to 5,000 children visit volunteer host families each summer in rural and suburban communities. Fresh Air children stay for two weeks or more in 300 Friendly Towns across 13 Northeastern states from Virginia to Maine and Canada. Since 1877, more than 1.7 million inner-city children, living in New York City's toughest neighborhoods, have experienced the joys of Fresh Air experiences. The Fresh Air Fund is primarily supported by the generosity of thousands of contributors. **Registration for host families is now open for summer 2010!**

**Arts Council of Tamworth** is excited to present—all the way from Texas—the Austin Lounge Lizards on Saturday, May 8 at 7:30 p.m. at The Brass Heart Inn in Chocorua, NH. "Like Zappa meeting bluegrass," says Vintage Guitar Magazine. "Hilarious, endearing and literary," raves Billboard. The Lizards have delighted audiences from Texas to Trafalgar Square with their inventive, irreverent style of satirical folk, country and bluegrass. Combined with superb musicianship that features precise four- and five-part vocal harmonies and instrumental mastery, the band's songs are as melodically infectious as they are lyrically prescient.
