# Medical Professionals' Conference on Opioid Medication-Assisted Treatment

*INCLUDING BUPRENORPHINE WAIVER TRAINING*

After participating in this program, the participants should be able to:

- Describe the risks of detoxing patients from opioids and the benefits of Medication-Assisted Training (MAT)
  - Prescribe, induce, stabilize and maintain patients on buprenorphine
  - Formulate strategies for prescribing buprenorphine in general medical settings
- Develop a collaborative network of physicians to expand access to MAT on Long Island

## Saturday, March 17, 2018

### Cold Spring Harbor Laboratory, Cold Spring Harbor, NY

**Accreditation Statement:** The Suffolk Academy of Medicine is accredited by the Medical Society of the State of New York to provide continuing medical education for physicians. The Suffolk Academy of Medicine designates this Live educational activity for a maximum of **6 AMA PRA Category 1 Credit™**. Physicians should claim only credit commensurate with the extent of their participation in the activity.

**Disclosure Statement:** In compliance with the ACCME Standards for Commercial Support, SM all those in control of the CME content of activities provided by the Suffolk Academy of Medicine are expected to disclose all relevant financial relationships with any commercial interest that may have a direct relationship to the subject matter of their educational activity. All commercial relationships that create a conflict within the faculty's control of content must be resolved before the educational activity occurs.

Among the planners and speaker for this educational presentation only Dr. Sederer and Dr. Bisaga have the following relevant relationships with a commercial interest (defined as any entity producing, marketing, re-selling, or distributing healthcare goods or services consumed by, or used on, patients), related to the content of the educational presentation. Dr. Sederer receives book royalties from Scribner, WW Norton, Am Psych. Press, Cognella. Dr. Bisaga is a research support recipient for Alkermes. An appropriate mechanism has been implemented to resolve all conflicts of interest prior to the presentation. The CME provider, Dr. Marino, Dr. O'Shaughnessy, Dr. Delman and Dr. Dowling have no relationships with a commercial provider to disclose.
