The Suffolk Academy of Medicine Presents

NYS Mandated
Infection Control & Barrier Precautions
Wednesday, April 14, 2010 From: 9:00 a.m. to 11:00 a.m.

REQUIRED FOR RELICENSURE

Held at: The Suffolk Academy of Medicine Conference Room
1767 Suite #14 Veterans Memorial Highway, Islandia, NY

Speaker:
Kathleen Chaitoff, RN, MS, CIC
Nassau University Medical Center

Educational Objectives
Upon completion of the program the participants should be able to:
1. Discuss the modes and mechanisms of transmission of pathogenic organisms in the health care setting;
2. Discuss the strategies for preventing pathogen transmission and their application in the professional practice;
3. Use the engineering controls and their effect on exposure prevention;
4. Describe the specific practices which increase health care worker's exposures to pathogens;
5. Properly use personal protective equipment to safeguard patients and health care workers;
6. Discuss the individual's professional responsibility for utilizing correct equipment reprocessing methods which assures safety and integrity of patient care equipment; and
7. Identify occupational health strategies for preventing HIV, HBV, HCV and tuberculosis in health care workers.

*The Suffolk Academy of Medicine is accredited by the Medical Society of the State of New York to provide continuing medical education for physicians.
