*NYS PHYSICIANS NEED TO BE HEARD.  
LET IT BE YOUR VOICE THEY HEAR!*

**SAVE THE DATE**  
**Tuesday, March 9, 2010**

This is your chance to let key legislators and regulators know that the physicians of Suffolk County are concerned about protecting their needs during the 2010 state budget negotiations, the urgent need for liability reform, fair and equitable reimbursement and a physician's ability to collectively negotiate with health insurance carriers. If Albany does not act, patient access to quality medical care will be severely limited, and even more physicians will be leaving the state.

**Join your colleagues, families, friends and office staff (all are welcome)  
by boarding buses to travel to Albany on March 9<sup>th</sup>.**

The Suffolk County Medical Society has pledged to work with all hospital medical staffs in an effort to coordinate bus transportation. However, we need to know the level of physician interest in order to plan the logistics of pickup locations and additional support supplies.

**Please complete the lower portion of this form and fax it  
back to the SCMS at (631) 851-1212 as soon as possible.**

**The freeze on medical liability premiums is scheduled to expire on  
June 30, 2010. Your voices must be heard loud and clear.**

**Organized medicine is the way to make necessary changes happen.**
